Cylchlythyr – Newsletter – 06.09.2024

Dear parents and carers,

I would like to extend a very warm welcome back to school for a new academic year. The school has been a hive of activity with pupils setting into their new classes and beginning their new units of work. Thank you for your support in logging into See Saw, we are already seeing the benefits of this system in our pupils' learning logs. Our pupils have returned to school looking incredibly smart, again, thank you for your support in following our school uniform policy. Could I remind parents and carers that hair should be of a natural colour and that school shoes of a polishable nature must be worn.

At the start of the new school year, lots of events and activities are being organised, please do subscribe to the school website calendar to keep up to date with these. Extra-Curricular Clubs will begin week commencing 16th September 2024 and details will follow on See Saw early next week.

We have a whole school photograph being taken on **Monday 9th September 2024. Please do make every effort to ensure pupils attend school on this day and are wearing their full school uniform.**

I hope you have a restful weekend, thank you for your continued support.

Diolch, Mr Hatwood

New School Year

It has been fantastic to welcome our pupils back to school this week and to see how well our new pupils have settled. Our Reception pupils have been busy exploring their new classrooms and learning about the 's' sound.

Blwyddyn 3&4

Pupils in Year 3 and 4 have settled back into their learning well this week. Pupils have already started working well in their exercise books and have shown some excellent handwriting and presentation skills.

Attendance and Punctuality

Attendance has been very positive during the first few days back, however, there have been a few holidays which have impacted our overall attendance. Please do support us in ensuring pupils arrive on time every day. Arriving late can be very upsetting for pupils and is being more closely tracked this year.
