

Croeso i Flwyddyn 5 a 6

Meet the staff

Mr Holmes

Mr Szymura

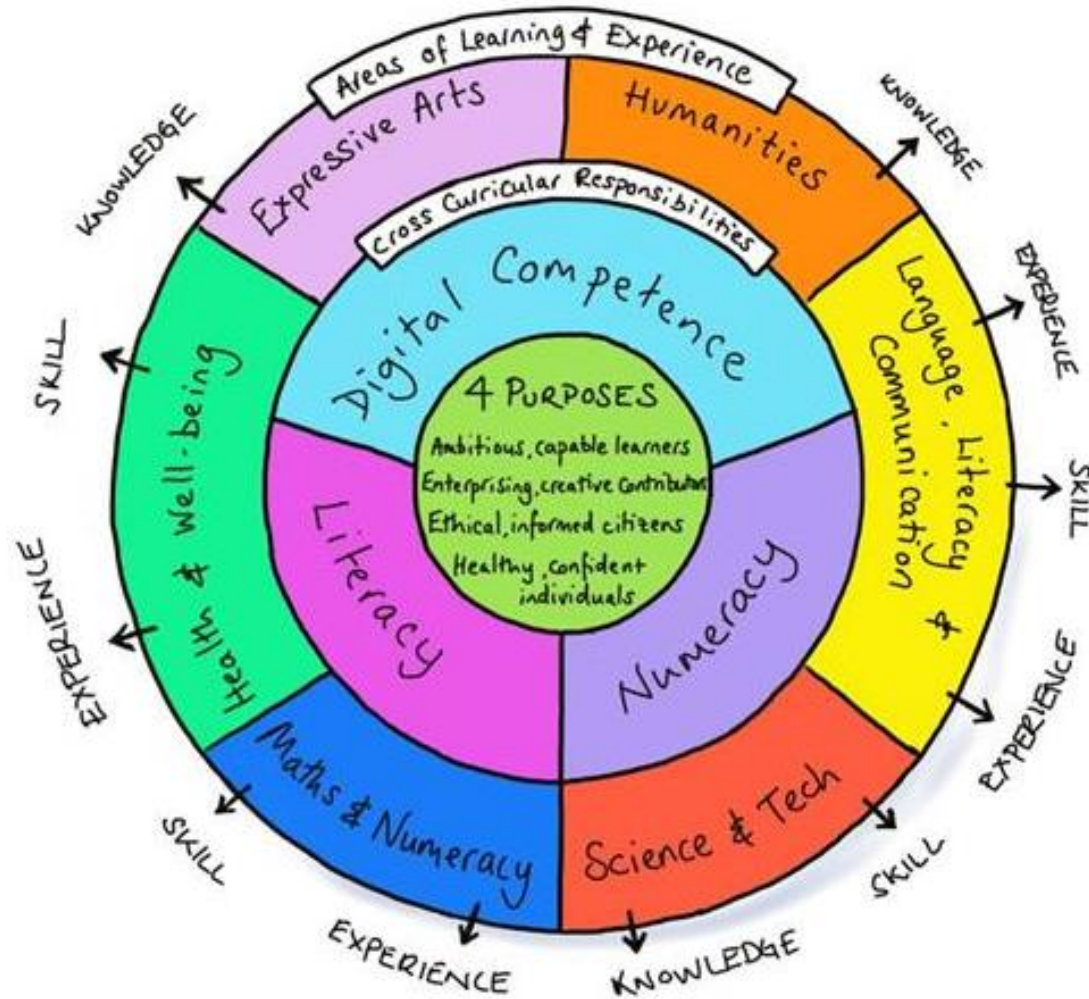

Miss Jones

Mrs Williams

Curriculum for Wales

leithoedd, Llythrennedd a Chyfathrebu / Languages, Literacy and Communication

Using the Gresford Mining Disaster and our locality as a focus the pupils will be develop their writing skills to produce an empathic piece in the role of someone else. They will also be using drama techniques to act out the timeline of events during the disaster. The pupils will be designing a questionnaire to complete a survey based on a local issue. They will use the results from this to create a digital infographic and verbally present their findings.

Iechyd a Lles / Health and Well-being

Pupils will discuss the importance of making good first impressions when settling in to their new class and how to approach any challenges they face. Through KiVa lessons, pupils will learn about how healthy relationships are fundamental to our well-being. They will plan and prepare a basic nutritious meal favoured by miners. The pupils will hopefully visit the Miners' Rescue Station and take part in the physical methods used to train the rescue miners. The pupils will be identifying risks and steps to reduce them through conducting risk assessments.

Cymraeg / Welsh

The pupils will study the book Wncwl Em. They will revise patterns of how to speak in the first person and how to introduce other people. Within our topic lessons pupils will give directional instructions in Welsh. They will also share opinions on food.

Mathemateg a Rhifedd / Mathematics and Numeracy

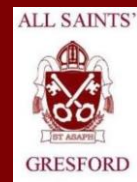

This term the pupils will develop their understanding of place value and the four operations. Following this the pupils will learn to calculate mean, median, mode and range to compare data and choose the most appropriate average. Using the local issue identified as a stimulus, the pupils will focus on collecting, representing and interpreting data in a variety of ways. The pupils will then use their measuring skills to measure the distance of journeys and to predict and record the time these journeys take.

Gwyddoniaeth a Thechnoleg / Science and Technology

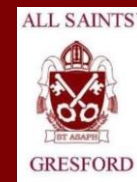

During this term, the pupils will investigate solids, liquids and gases. Pupils will investigate changes of state: how solids can turn to a liquid etc. They will also identify flammable and inflammable materials using the camp fire in the forest schools area. They will learn about natural materials and why they have been processed to make them useful. They will manipulate data into a visual form.

Addysg Grefyddol / Religious Education

The pupils' RE work will focus on the significance of belonging in people's lives, different communities and social groups. As part of their work, the pupils will write prayers in memory of those who sadly passed away. Our half term value is 'Generosity'.

Blwyddyn 5 / 6
Tymor hydref
Our Local Area

Dyniaethau / Humanities

The pupils will be learning about the Gresford Mining Disaster and place the events in chronological order. They will use appropriate methods to gather information and then interpret the information through the context of the enquiry question. The pupils will present their findings in a variety of ways and make judgements based on the evidence found. They will show an understanding of how factors and events from the past have shaped the community.

Y Celfyddydau Mynegiannol / Expressive Arts

We will study the work of local artist, Largeys, to create some emotive work on the Gresford Mining Disaster. The pupils will also learn how to relief print using disciplined specific techniques to create their work.

Health and Wellbeing - Physical Education

PE

Mr Holmes – Monday and Tuesday

Mr Szymura – Monday

Miss Jones – Monday and Tuesday

Swimming (classes on a half termly basis)

Mr Szymura - Tuesday

PE Kit

if for some reason your child/children are unable to participate in a PE less for a reason, then please send the class teacher a Dojo message.

Expectations

Reading

3 times per week minimum

Reading Diary to have at least three comments in per week.

Children to change books as required

Spellings

Pupils are given spellings on a Monday and complete activities throughout the week. They will be tested on a Friday. Please help your child/children practise their words at home.

Times Tables

Children to access TT Rockstars at least three times a week. They can work in Garage or Studio mode at home.

Homework

Homework will be given on a Friday and will need to be completed by the following Thursday. One week it will be MyMaths homework based on the learning we have completed in class. On the alternative week, pupils can choose an activity from the homework sheet – Nandos Takeaway.

Healthy Schools

Please endeavour to provide your child/children with a healthy snack for breaktime and a bottle of water to consume throughout the day. Sports type bottle tops are preferred if possible.

After school clubs will be commencing as soon as we can put a timetable together.

Roads around school are extremely busy in the mornings, so if you can walk, scoot or cycle, it would be very much appreciated.

If your child/children are not being picked up from school and are walking home alone or going to the park, please ensure that the class teacher is aware of this. They are allowed to bring a mobile phone with them for personal safety but this must be handed to their teacher when coming into class.

Please be aware that we are not free school.

If your child/children requires medication at any time, please speak to a member of the office for a medication form. Unfortunately, we cannot administer medication if we do not have a signed form.

Educational and Residential Trips

Where possible, we like pupils to be totally immersed in their learning and really get some positive experiences with educational trips and walks in the locality.

In Year 5, pupils will get the opportunity to visit and stay at the Urdd Centre in Glan Llyn for two nights, where pupils will experience a range of outdoor and indoor activities.

In Year 6, pupils will have two opportunities for residential trips. A two-night trip to London, where pupils will visit the Houses of Parliament. They can also book to go to Nant BH where they can participate in adventurous outdoor activities.

Dojo

If you haven't already signed up to Class Dojo, please do. It is an excellent way to communicate with you all.

Please be aware that teachers may not check this during the teaching day, therefore if there is an urgent message please phone the school office.

Please appreciate that staff are not available outside of school hours. However, we understand you may wish to send a message at time convenient for you, we will always reply as soon as we can.

ClassDojo

School Vision

Pupils have worked hard to produce a Class Charter which is all positive and based on our values of respect, friendship and care.

Our Vision & Values

“With respect, friendship and care, we learn here and succeed anywhere.”

Respect: We respect ourselves, each other and God’s world.

Friendship: We show friendship to our peers and our friends around the world.

Care: We care for each other, our community and environment.

Sanctions

We endeavour to praise pupils as much as possible, however sometimes we need to use our behaviour policy in class and around school.

Polisi Behafio Behaviour Policy

- Verbal warning
- 1st written warning
- 2nd written warning
3 MINUTE TIME OUT AND COMPLETION OF REFLECTION SHEET.
- 3rd written warning
MISS A PLAYTIME AND SEND A MESSAGE HOME / RED DOJO.
- 4th written warning
REST OF SESSION IN ANOTHER CLASS.
- 5th written warning
VISIT THE HEADTEACHER, MEETING HELD WITH PARENT/CARER.

UNACCEPTABLE OR DANGEROUS BEHAVIOUR/LANGUAGE WILL RESULT IN A MEETING WITH YOUR PARENT/CARER AND THE HEADTEACHER.

Online Safety

As you will already be aware, your child/children will be using more apps and websites to socialise with their friends. These apps are a great tool to use, but have their own dangers and generally come with an age rating. Please use the Hwb online safety tool for more details.
